Re: MM Docket No. 93-136
RM-8161
Filing of Motion for Extension of Time

Dear Mr. Caton:

On behalf of Spanish Broadcasting System of Florida, Inc., licensee of Radio Station WZMQ(FM), Key Largo, Florida, and petitioner in the above-referenced Docket for a channel substitution and license modification for Station WZMQ(FM), there is transmitted herewith an original and four copies of its Motion for Extension of Time in the above-referenced matter released June 3, 1993.

Should there be any questions concerning the enclosure, kindly contact the undersigned counsel to the licensee.

Respectfully submitted,

KAYE, SCHOLER, FIERMAN, HAYS & HANDLER

TO: Chief, Mass Media Bureau

MOTION FOR EXTENSION OF TIME

Spanish Broadcasting System of Florida, Inc., licensee of Radio Station WZMQ(FM), Key Largo, Florida, and petitioner in the above-captioned proceeding ("SBSF"), by its counsel, hereby respectfully seeks an extension of time to and including April 15, 1994 in which to respond to the "Motion for Leave to File Out of Cycle Pleading" and the "Supplemental Joint Comments" filed by Okeechobee Broadcasting, Inc. ("OBI"), licensee of WOKC-FM, Indiantown, Florida; Sunshine Broadcasting, Inc. ("Sunshine"), licensee of WSUV, Fort Myers Villas, Florida, and Jupiter Broadcasting Corporation ("JBC"), permittee of WADY, Jupiter, Florida (Collectively "Commenters").

Section 1.415 of the Commission's Rules states that periods for filing Comments and Replies in Rulemaking proceedings shall be set out in the Notice of Proposed Rulemaking, and that after such specified dates, additional comments will be considered only upon specific authorization. The Commenters have now filed the

above-referenced pleadings outside the normal pleading cycle, and pursuant to Section 1.415(d), they have sought specific authorization to do so, stating that good cause exists for acceptance of Commenters' supplemental pleading.

SBSF wishes to respond to Commenters' pleadings. However, the intervening occurrences of the National Association of Broadcasters Convention in Las Vegas and the Passover religious holiday will prevent SBSF's counsel and consulting engineers from preparing such a response. Accordingly, SBSF is requesting an extension of time to file its responsive pleading.

Commenters maintain that a dispute as to factual matters appears to be at the foundation of the matters to be decided by the Commission. They therefore argue that their out-of-cycle pleading is invaluable to the proper resolution of this case. SBSF will address these contentions and thereby allow the Commission to make an accurate evaluation of the matter. Failure to consider SBSF's response will waste Commission resources and disserve the public interest by not allowing the fullest deliberation of all pertinent matters.

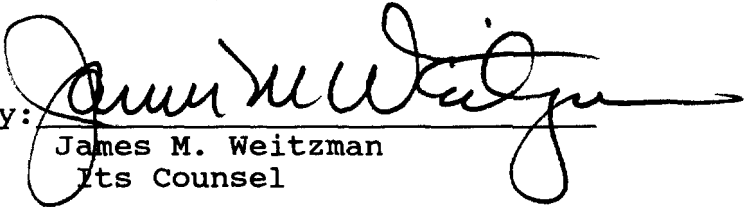

Counsel for Commenters has indicated that he will not interpose any objection.

WHEREFORE, good cause having been shown, SBSF respectfully requests that the Commission grant the requested extension of time to respond to Commenters' out-of-cycle pleading.

Respectfully submitted,

SPANISH BROADCASTING SYSTEM OF
FLORIDA, INC.
